

**HAPPY HOLIDAYS/HAPPY NEW YEAR
FROM PAUL AND SUSANNE CARTER**

THIS PAST YEAR 2017 we have an attitude of gratitude. We are thankful for many blessings such as our health, for family, friends, professional colleagues, the many students enrolled in classes and for Personal Training clients. We are especially proud of grandsons Keaton William Mielcarek with beach ball age 5 and his younger brother Jonas Richard now 2 and ½ yrs. We were also thankful to have made a visit to see my mom now 94 in New Jersey with Keaton and his mom, Julianna.

PAUL was busy organizing a block club and was hired to teach guitar at the Wauwatosa School of Music. He is also playing out with Greg Schaffer at the Red Circle Inn. He has added classical guitar to his talents and accompanies Susanne for The Parkinson's Dance Class and yoga.

SUSANNE is most proud of her work on The Bourree Project with The Parkinson's Dance Class. See the video of this project. Go to www.carterproductions.com. Go to the side bar and click on Bourree Project. Enjoy beautiful dancing by people with PD.

FUTURE PLANS The Susanne Diaries, short dance vignettes for the web page and music yoga CD with Paul's accompaniment.
